

Chief Rebel Angel

Formed Feb 2005 by Shaughn Pieterse (*guitar*) and Andrew Radue (bass). "The idea was real simple, create a kick **** metal band, have fun and write songs" - Shaughn (Guitar)
Completing the line was Sheldon Edwards (vocals) and Raymond Heesen (drums). This line up played a couple of shows around Kwa-Zulu Natal, Gauteng and even ventured to Cape Town.

In 2007 Sheldon Edwards (vocals) immigrated to the UK in pursuit of Beer, public transport and non stop metal. We recorded 8 tracks for "The Don Ep" which will be digitally released in 2008 (after our Official Release). The balance of 2007 was spent working on new material and searching for a vocalist. A brief stint with Shaughn's brother Wayne on vocals and guitar followed and we pulled off one show and release the now LEGENDARY "Tripping On Silence" digital single. The single has been in the top 50 Chart since its release.

Due to work commitments Wayne (vocals/guitar) was forced to withdraw as the Vocalist, and the search began again.

The 2009 line up features Andrew (Bass) - ? (Drums) - Shaughn (Guitar) - Wayne (Guitar / Vox)

Many shows...Many parties.....lots of metal.....lava soon too flow.....
